# G—MARKING for The Middle East

## Assists Manufacturers with Testing and G-Marking registration

[GCC Standardization Organization \(GSO\)](#) is a Regional Standardization Organization (RSO) which was established by the resolution of the [GCC Supreme Council](#) (22nd Session, Muscat, Oman, 30-31 December 2001) and assumed its operation in May 2004 with membership of the governments of [The State of the United Arab Emirates](#), [The Kingdom of Bahrain](#), [The Kingdom of Saudi Arabia](#), [The Sultanate of Oman](#), [The State of Qatar](#), and [The State of Kuwait](#). In January 2010, [The GSO Council](#) approved joining the [Republic of Yemen](#) as a full member in GSO.

The mission of GSO is to assist the States of the Cooperation Council for the Arab

States of the Gulf (GCC) to achieve the objectives set forth in its Charter and in the GCC Economic Agreement by unifying the various standardization activities and following up implementation and compliance with the same in cooperation and coordination with the standardization bodies in the Member States (NSBs) to develop the production and service sectors, foster the intra-GCC trade, protect the consumer, environment and the public health, enhance the GCC economy and its competitiveness and meet the requirements of Gulf Custom Union and Gulf Common Market.

**JET Thailand** can assist

manufacturers today which are seeking for G-mark registration through our partner in those countries.

In able to get the G-Mark are safety and EMC required, where performance tests is only required for some of the countries

The G-marking can be applied for 1, 2 and 3 years validation. 3 years registration cost 1250 USD. excluding safety and EMC tests.

If you want to know the price for your products or need more information, please don't hesitate to contact **JET Thailand**, we are ready to help you to get a successful experience.

**Members of GCC Standardization Organization (GSO):**

[Bahrain Standards & Metrology Directorate \(BSMD\)](#)

[Saudi Standards, Metrology and Quality Organization \(SASO\)](#)

[Directorate General for Specifications and Measurements \(DGSM\)](#)

[Qatar General Organization for Standardization \(QOS\)](#)

[Standards and Industrial Services Affairs – KOWSMD](#)

[Yemen Standardization, Metrology and Quality Control Organization \(YSMO\)](#)

**Japan Electrical Testing Laboratory (Thailand) Co., Ltd.** established in 2016 - is a "One-Stop Service Company" providing product testing and certification services that help streamline your access to markets in Thailand and around the world. In our electro-technical testing laboratories, we evaluate and analyze your products for compliance with the applicable market requirements and regulations.
